Midwest City YMCA

Camp Specialty Descriptions

Sports World

Soccer, flag football, track and field, bocce ball and basketball are just some of the fun this week.

Wearable Art

If you can wear it, we'll make it! Hats, flip-flops, bracelets, beads and a lot more.

Mini Chefs

Put on your aprons! We'll make yummy treats like Mini Pizzas, Ice Cream, Trail Mix and more. Stir in chef's hats, recipe books and kitchen safety, and you have a delicious week!

Cheer/Dance

Learn dance steps, cheer, simple tumbling and teamwork to create a fun routine to perform for family and friends at the end of the week.

Ooey Gooey

Whether it's making goop or conducting a crazy experiment, you've never had so much fun with science.

Playground Sports

Your favorite games all in one place – kickball, gator skin dodge ball, whiffle ball, hopscotch, just to name a few. Plus a few new games just for camp!

ARTrageous

Let your creativity shine! We'll explore a wide variety of artistic expressions including paint, chalk, and mixed media. Campers will be encouraged to focus on and enjoy the process, resulting in truly unique works of art!

Martial Arts

It's back! Learn the basics of martial arts and self-discipline. There is an additional \$5 fee to participate in this specialty.

CSI

Campers age 9+ can learn all about forensic science in a kid-friendly program. Gather evidence, study clues, and solve the mystery!

Star Struck

The world is a stage! Try your hand at dance, singing and theatre. While exploring different kinds of performance, we will focus on developing self-confidence and teamwork.
